- NOTE:**
- In spite of much thought, some activities will clash on a comprehensive extra-mural time table such as ours. Pupils may have to make a choice but in the Primary School we encourage participation in as many activities as possible so as not to specialize too soon. Children must also have time to PLAY at home.
  - It is expected that ALL pupils (from Grades 3-7) will participate in at least ONE SUMMER activity.
  - Pupils are expected to attend all practices and/or matches.
  - All pupils are expected to excuse themselves in advance if they cannot attend a practice. (A written note is preferred).
  - Pupils must be suitably dressed for all sports or activities.
