Dear Parents

The following information about our Sports Scholarships may be of interest to you :

1. Scholarships are awarded on sporting ability. The candidate must currently be playing his sport at a provincial level, or must be of provincial ability. This must be a sport offered at the school. General all-round ability, including academic and leadership ability, as well as cultural or community involvement are considered.
2. Sports Scholarship awards vary from about 20% to 100% of the annual school fees.
3. Awards are made on a yearly basis, and are renewable based on performance in the sport for which an award was made. It is unlikely however that the original amount of the scholarship will be increased. Continued diligence and general participation in school life are integral parts of this scholarship.
4. An administrative fee of R50,00 is levied on each pupil applying for a scholarship. Cheques should be made out to Rondebosch Boys' High School. The fee may also be deposited directly into the Rondebosch Boys' High School bank account at Standard Bank (Rondebosch branch – code 02 50 09). The account number is 071483098. Please ensure that the words 'Scholarship' and your son's name and surname are written clearly on the deposit slip, a copy of which must be attached to your application.
5. If you are interested in having your son considered, the information on the attached Application Form will help the Scholarship Board considerably in coming to a decision. It is in your own interests to complete it in as much detail as possible. Please return it to

The Headmaster

Canigou Avenue

by 12 March together with the R50,00 administration fee or proof of payment.

6. Please note that applying for the scholarship does not commit you to accepting a place at RBHS, nor does it guarantee acceptance.

Yours sincerely
