Rondebosch Board of Governors Elections, 24 June 2009 at 17:45 for 1800

Venue: Memorial Hall, Rondebosch Boys High School

Parents are earnestly requested to attend the BOG elections as your involvement is essential to enable a representative election of 7 Parents to the Governing Body, to take place.

Rondebosch Hockey - Astro Opinion Poll results

On behalf of the Rondebosch Hockey Supporters Committee - a very big thank to all Hockey Parents for your tremendous response to the opinion poll reflecting your wishes regarding the location of any possible future Rondebosch Astroturf facilities as well as indicating support for the Committee.

The unanimous opinion of the 140 Rondebosch Parents who responded, was that the Parents, WITHOUT EXCEPTION, indicated that they wished to see any future Astroturf on grounds over which Rondebosch had exclusive control. No votes were received for placing a future Astro on WPCC premises.

The Committee can, with confidence, engage with the School and Board of Governors with the knowledge that there is overwhelming support from the Hockey Parents for an additional Astroturf on School controlled grounds, to ensure that there is sufficient Astro time available for players of all age groups and all levels of expertise.

This will signal that Hockey ranks on a par with the other significant Bosch Sporting Codes.

Rondebosch Hockey Parents Committee presents

Learning the rules of the game

Last week's answer to Quiz No 5

Question:

At a short corner the ball is pushed to the attacking side where the stopper brings the ball into the circle and striker hits the ball at goal where it collides with the upright standing goalie on his helmet and finds the back of the net. Is it a goal or not?

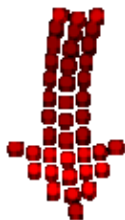

Answer:

No goal. If the first shot at goal is a hit (as opposed to a push, flick or scoop), the ball must cross the goal-line, or be on a path which would have resulted in it crossing the goal-line, at a height of not more than 460 mm (the height of the backboard).

This week's question - Quiz No 6

The goalie is injured and during the incident causes a penalty corner to be awarded against his team. His injuries force him to leave the field. No substitute goalie is available. What must the defending team do to face the short corner?

Thanks to Mr Kevin Winter for the quiz questions.

Rondebosch 2nd Team vs. Wynberg 2nd Team - 09/06/2009

During the week, we prepared well knowing we would have a tough encounter against Wynberg. The game turned out to be a closely fought contest, but yet again, the RHBS 2nd team were just too good. The first half proved to be rather boring with RBHS not playing our best hockey. An inspiring talk by our coach sparked us into gear and we scored two unanswered goal. When Wynberg tried to counter, our halves stood up to the plate defended with relative ease. Well done oaks. 2-0 the end score.

Aidan Morris (Captain)

Rondebosch 3rd Team vs. Wynberg 3rd Team - 09/05/2009

This past Tuesday the 3rd side lost their unbeaten streak. In a disappointing performance we struggled to play the match at our level. The first half started slowly, and we went into the break disappointed knowing that we needed to up our game if we wanted to take it. The second half was slightly better but when Wynberg got their first goal our heads dropped and we were unable to lift ourselves. The match ended 2-0. We were disappointed with the result but we learned a lot from this match and are keen for the next fixture against Bishops

Rondebosch U14C Team vs. Wynberg U14C Team - 11/06/2009

This was our second match on astro and we were a bit nervous at first. We were aiming to get the Triple Crown in this game (SACS, Bishops and Wynberg). The first half we went on strong and kept our defense tight and our attack strong 🤖 . We managed to get a few shots at goal but we were unsuccessful.

The second half we let our guard down a bit and were lucky that our goal keeper Matthew Bramwell could save their good shots. We nearly won this game but they were a good team. Our teamwork in our team keeps improving with every game.
