### Rondebosch Hockey Parents Support Committee 3rd Term Fundraiser.

Following upon a survey of Parents, the majority have voted to have this Term's Fundraiser as a Raffle / Competition.

Shortly Ticket Booklets will be distributed to Hockey Players to sell, with the draw taking place on the evening of 10 September 2010 at the end of season function.

It would be appreciated if each Hockey player could sell 2 books of 10 tickets, (20 tickets at R10-00 each) or else make a donation of R200-00 towards the fund raising and then enter all 20 tickets into the draw under the player's name. It is only in this way that the projected fundraising target will be reached.

It is planned that the prizes will be

- 1st Prize - A Flat Screen TV
- 2nd Prize - A Cell Phone
- 3rd Prize - A Gift Voucher from WP Sports (at WPCC)

It would be very nice if sponsors for the above prizes (or other alternative Prizes) could be found, and if you are prepared to, or you know of anyone willing to sponsor prizes, please contact Cindy Giger urgently on [cindy.giger@mweb.co.za](mailto:cindy.giger@mweb.co.za) to offer your help or suggestions.

### Rondebosch Hockey End of Season Function.

The Annual Hockey end-of-season get together will be held in the Centenary Cricket Pavilion on

Friday 10 September 2010 at 18:00

As is customary, would Hockey Captains prepare a short speech which sets out the fortunes of their team over the 2010 season, and which highlights any noteworthy achievements.

It will also be an opportunity to thank their Coaches for their support and input during the season.

Should each team wish to contribute towards a small token of appreciation for their Coach, it would be an appropriate occasion for your Captain to hand it over.

Hockey will also be able to say farewell to the Matrics who will be joining the ranks of Old Boys next year.

A cash bar, including soft drinks, will be available and it would be appreciated if each family would bring a plate of eats or two to be shared. Could Halaal eats be suitably labeled so they can be placed appropriately on the tables.

On the evening a draw will take place for the Hockey Fundraising Raffle and shortly ticket booklets will be distributed to all Hockey Players to sell. It is anticipated that there will be some very desirable prizes with the 1st prize being a Flat Screen TV.

Please mark this occasion in your diaries so that you do not miss it.

## Match Results

### U19A v Paarl HJS

Rondebosch were looking to continue their good season with a victory against Paarl Boys.

After an even opening to the game, Rondebosch started to create a few opportunities but were unable to take any of them. This led to pressure on the Rondebosch goal which drew a couple of good saves from Sufyaan Banderker. A lacklustre performance by Rondebosch meant the teams went into the half time break even, the score 0-0.

Rondebosch started the second half well. A well set up and taken short corner led to the first goal from Michael Sparkman. After this, Rondebosch started to dominate both possession and the match.

Another short corner led to the second goal by Cameron Prins and was followed by a goal well set up by Kyle Meeser and finished by Tim Winter. Rondebosch added a fourth through Robin Blampied on the full time whistle to cap off a good second half performance.

A decent performance but there are a few things to work on before the big derby games.

### U19A v Stellenberg HS

RBHS 1<sup>st</sup> against Stellenberg: Won 7 - 0  
Saturday 24 July 2010

After an emphatic victory on Friday against Paarl Boys it wasn't surprising that the 1<sup>st</sup> XI arrived on Saturday morning a bit tired but full of confidence to play against Stellenberg.

The team kicked off with a superb start; 5 minutes into the first half the score was already 2 goals to nil! Things weren't looking favourable for the visiting side and it didn't stop there. Rondebosch added another goal before the conclusion of the first half.

Steve's pointers (our cool coach) got us going again and we came into the second half looking to add to the goal tally. We picked up the intensity. Graham Schoeman contributing a further 2 goals to his goal in the first half, thus picking up a well deserved hat-trick. Michael Reid scored 2 and Aidan Morris also scored 2.

Final score: 7-0.

The 1<sup>st</sup> team seems well on track for a good second half of the season. Since the holiday we've played 4 games, scored 18 goals and conceded 1. The attack is on the right track and as usual the defence is as strong as ever. Let's keep it that way team!

U16A v Paarl HJS

This past Friday, the U/16A's missioned out to Stellenbosch once again, this time to take on Boishaai U/16A's on Maties 'A' Astro.

The game started off pretty evenly matched with the first half producing no goals, which came as a surprise to us. We had to step up our game, which was evident when Dean Rutherford drove one in from Top D to break the dead-lock. However, Boishaai replied when they had a man unmarked on post, who tapped the ball in the level the score.

Then, soon after, we got a wake-up call when we found ourselves 2-1 down after Boishaai scored what many agree was a controversial goal. We then stepped our game up and suddenly found ourselves presented with many more goal-scoring opportunities, which eventually played off after a scrappy patch was finished off when Kay Skovgaard-Peterson put us back on level terms with a cheeky pop into the top corner.

With no more than 7 minutes left, we knew there was time for one more, and Dean Rutherford agreed when he deflected in the last-minute winner.

I believe we showed great character to turn a 2-1 deficit into a 3-2 victory, well played guys.

Shaun Henshilwood

### U16A v Stellenberg HS

The U16A's were looking to improve after their disappointing game against Boishaai the night before.

The game against Stellenberg started off in the best possible way. Rondebosch spread the ball wide and played it up to the strikers resulting in a 1-0 lead thanks to Damian Hewit who scored in the 30th second.

After that Rondebosch started to lose structure and struggled to find the back of the net which showed in a poor 1-0 lead at half time. The start of the second half saw hardly any change, but after a few minutes the team started to play as a unit which lead to a number of counter attacking opportunities. The second goal was the result of good ball pace and a skillful last touch by Zubayr Humza. Shortly after that the score became 3-0 due to a brilliant individual run from Kay Skovgaard-Petersen.

The U16A's have a lot to work on before their game against SACS next weekend which is certain to be a tough match.

### U16C v Pinelands HS - 16/07/2010

Friday 16<sup>th</sup> July saw the boys of the U16C take on a depleted Pinelands team (they could only field nine players). Although the game was very much one sided, Pinelands never gave up and well done to them for restricting the score to 7-0. More than the usual Bosch guys were on the score sheet, but just a warm-up game really

### U16C v Paarl HJS - 23/07/2010

Friday 23<sup>rd</sup> July vs Paarl Boys High, playing on their more familiar grass at the Stellenbosch fields.

As the match kicked off at 6:30 pm, flood lights not so good and an unusual surface made it a somewhat scrappy game.

Bosch were slightly better in the first half, but Paarl came back in the second half. A nil-nil score was perhaps a true reflection.

### U16C v Stellenberg HS U16B - 24/07/2010

Early on Saturday morning (kick-off at 8:50) saw Bosch take on Stellenberg U16B team.

Maybe a bit tired and lethargic from the previous late evening match and a bit unlucky, they conceded a goal which was then equalized a bit later.

Stellenberg went ahead again from a lapse in the Bosch defence and, although Bosch picked up their game, it looked as if they were going to experience a not deserved loss. But a short corner in the last minute saw Mathew score his second goal of the match to the home team's relief. Well done boys for not giving up.

It is a bit unfortunate that the U16C do not seem to have a consistent coach as Mr Bowley has also had to step in at times to coach them (wish he could be their coach), but the guys are improving all the time and if they concentrate on playing as a team, they will do much better (parents' comment)

Date: 23/07/2010

Score: 4-0 Win to Rondebosch

We won the toss and chose to play with the sun first. When we started the game, we knew it would be physical but we were up to the challenge. About 15 minutes into the game Chad had a brilliant overhead about half the field straight to Tayo and we then scored our first goal. Then, shortly after, Tayo scored another brilliant goal to give us a 2-0 lead going into the break.

By the time we were playing the second half the sun was down so we did not have

to worry about playing into the sun, Everyone played well in the second half and we managed to score 2 more goals and one of those were from Tayo to give him his hat trick.

Well Done Boys!!

U14A v Stellenberh HS

Date: 24/07/2010

Score: 4-0 Win to Rondebosch

We had an early morning game on Saturday and we knew that our record for early games was not that good, but this changed after a brilliant win over Stellenberg who are top of Northern's league.

We were in the game right from the start with some excellent passes and ball throughs, we scored two goals in the first half by James running down the base line and crossing the ball into the middle to be popped into the goals.

In the second half James was rewarded for all his hard work by flicking the ball into the goals. Stellenberg were then given a short-corner close to the end but Tayo crept behind all the defenders and waited at the top of Stellenberg's D, once Andrew had charged the ball from the push-out Cullen got the ball and "milked" it up field to Tayo who simply skilled their Keeper and put the ball into the goals.

Well Done Boys!!
