### Hockey Notice Board.

*A request from Jon (Jonathan) Cook - editor of SA Hockey World*

*"Dear Rondebosch Hockey Herald*

*I am taking a flyer here, but I am trying to have more school hockey on my*

*SA Hockey World website [www.sahockeyworld.co.za](http://www.sahockeyworld.co.za)*

*You may or may not be involved in writing reports and or previews for school hockey, but if you are, or know someone who does, I would appreciate receiving the reports or even putting old reports from this season on the site.*

*There are some examples of what I am getting at in the "Schools Hockey" category on my site - and Mike Hill does an amazing job with respect to a KZN boys' hockey wrap.*

*Mike Bechet is very good as far as writing his individual school's first team report with all the results at the bottom plus pics. I get that off the weekly College marketing newsletter, which Mike has to do anyway.*

*I believe there are some websites of schools that carry their weekly hockey reports. If you know of these sites please let me know. I would appreciate your input.*

*Regards  
Jon"*

Jon has requested that pictures that are e-mailed to him contain at least a Caption saying what it is of and then importantly the names of players from Left to Right.

Ideally he says that close ups and small groups make better pictures and ideally the size of the pictures should be limited and definitely NOT greater than 150 Kb each in size. His e-mail address is [joncook@telkomsa.net](mailto:joncook@telkomsa.net)

### **Match Results**

If there is no Match Report for your team, please speak to your Captain so that he can delegate someone to send in a Match report to [Sparkman@Mweb.co.za](mailto:Sparkman@Mweb.co.za) by not later than 10:00 on the Monday morning following the match.

### U19A v Wynberg BHS

On Friday the 28 May the 1<sup>st</sup> XI played Wynberg 1stXI.

We got off to a slow start but we soon started dominating, we had chances in the first half but unfortunately were unable to capitalise.

There were some definite chances in the second half with some great through balls. It didn't take long for Rondebosch to score a goal with an amazing run by Aidan Morris to tap it on to Daniel Blake to finish it. Wynberg managed to sneak one in the goal in the dying minutes of the game. The game was drawn 1-1.

Bishops next weekend. Will be a cracker. Lots of hard work to be done.

### U16A v Wynberg BHS

Coming off the back of a dominant fixture against Paul Roos our side was determined to keep our winning ways in tact. After some bitterly cold mid-week practices and the heat of exams upon us, the team did extremely well to remain focused and disciplined

for our game against Wynberg. After beating Wynberg earlier in the year, during a warm up match, we had no doubt that they would throw everything at us from the first whistle.

The first 10 minutes began at a frantic pace which seemed to go in our favour as a well worked goal by Ross Compton was the end result. As the game progressed and our nerves settled, the game became more controlled and Rondebosch was able to hold much of the possession towards the end of the first half. We were rewarded once again for our hard work and continuous pressure when Zubayr Hamza capitalised on some loose ball after a short corner. Rondebosch went into the half time break 2-0 to the good.

The second half required equally hard work to ensure that the game was dead and buried. Our extra fitness after practices seemed to pay off and it was not long before Rondebosch added to their half time tally as Kay found himself in plenty of space and made no mistake in finishing off the goal. The score remained at 3-0 to Rondebosch and a good team effort made it possible. An ear to ear smile from Mr. Nel reassured us that it was a job well done!

Well played chaps!!

U16E v Canons Creek

Due to a mix-up, the U16E team ended up playing the Cannons Creek U19A's. We put up an EXTREMELY good performance in the game. Despite the expectation that we would lose by a large margin, we proved everyone wrong, losing only 2-0 in the dying seconds of the match. We even had one or two chances to score! I am very impressed with my team. Special thanks must go to Adrian Schwellnus for playing for us, and evening the odds a bit.

U14C v Wynberg BHS

We played many times better than last Saturday and our marking and stopping skills were excellent. Five minutes into the game Wynberg scored. They intercepted the ball and had an extra man in the D. Even though we didn't score for the rest of the half we still played as a team.

In the second half we dominated and had many opportunities. 15 minutes into the second half we scored, on our second short corner. Liam passed to Zac. Zac passed to Naaim who scored. We played even harder, desperate for the win. With two minutes to go, Josh ran line and crossed at waist height to P spot where Naaim scored a brilliant goal. Even though we were in the lead we didn't stop going but Wynberg got the last movement, a short corner.

We charged them down and won the game 2-1 to RBHS.

Good Points: Marking, Stopping, Skills, and Passing

Points that need work: Creating Gaps, Crossing, Learning to stop then hit (two touch not one)

Conclusion: It was our best game yet and if we play this well I'm sure we can beat Bishops.
