U19A v Paul Roos Gym

The RBHS 1st team went out to Stellenbosch to play Paul Roos on Maties A. We started very slowly, against a strong Paul Roos side and conceded 2 goals in the 1st half.

Starting the 2nd half with lots of intensity, we put pressure on our opposition and were unlucky to have a goal from Mickey Reid disallowed. We did score, but unfortunately we were unable to equalise and we went down 1-2.

A lot of positives to take out of the 2nd half.

Well done boys.

Final score 1-2

U16A v Bellville H S

The Rondebosch U16A team continued their good run of form and beat a weaker Bellville side convincingly. We started off really well and held our structures while putting them under immense pressure. Once the pressure gave way and we scored our first goal then there was no stopping us. They played a very direct game and we countered this well. We were very solid on defence and any break

always were quickly dealt with.

In the end we beat them 8-0 which shows the one way traffic nature of the game. The goal scorers were: Dean Rutherford (2), Zubayr Hamza(2), Kay Peterson(2), Damien Hewit and Craig Schoeman

U16A v Paul Roos Gym

On Friday the 21st, the U/16A's trekked out to Stellenbosch to take on the very strong Paul Roos U/16A's, who had a victory over Bishops under their name.

We didn't know what to expect, but heading into our warm-up the vibe was good amongst the team, as usual. After a good warm-up and team talk, we took the Astro.

We came out of the blocks firing, with our Strikers giving their defenders a hard time, and with us controlling the Midfield battle, Ross Compton found the space to throw a pin-point over head to Kay Skovgaard-Peterson, who collected and finished it off brilliantly. Paul Roos then came at us quickly and caught us off guard, forcing our keeper, Jason Giger, to pull off a great save. We then regrouped and this was evident when Dean Rutherford found himself one-on-one with their keeper, who, with minimal effort, put it in the back of the net to give Bosch a 2-0 lead. We kept the pressure up, and their mistakes kept coming. We then capitalized once again, when Ross Compton threaded their defence with a great through ball to the far post where Zubayr Hamza casually touched it into the top left corner. We went into half time with a 3-0 lead.

The second half was more competitive; it had its moments such as when Ross' mouth got the better of him and he found himself receiving a Yellow card, but produced no goals. We'll continue our unbeaten form into our match next week. Well played boys.

U16B v Paul Roos Gym

The U16B team went into the game on Friday, knowing that this would be their toughest game yet this season. The team lived up to the occasion and the PRG attack was held at bay by our defenders. The final score was 1-0 in PRG's favour, but the U16B team can hold their heads high for a great effort.

U16C v Bergvliet H S - 15 May 2010

Match played on Saturday morning with very good weather conditions.

As the (to my opinion) very capable young coach seems to be trying various combinations for the back line and links, this match showed up the areas where

the team needs to improve. According to the after match team talk and what we parents commented on (some chirping for the stands), the back line was slow in clearing the ball and did not retreat quickly enough when required. The links were often out of position as the match progressed, did not retreat enough to help the backs and tended to go forward instead of releasing the ball to the forwards. Too many players seem to want to be forwards and it was only because of the "weak" opposition that Bergvliet were not able to capitalize on our lapses.

Rondebosch's first goal was well deserved and well executed. But the opposition took advantage of poor marking to score against the run of play. Although in the second half Rondebosch boys' game did not improve as there were holes in the defence, the three and sometimes four attackers managed to score two further goals against a poor Bergvliet defence.

To my opinion the man of the match goes to the goal-keeper who kept out at least two possible goals.

The boys need to improve as a team and listen to the coach's instruction as the next matches are going to be very difficult against Paul Roos away and home matches against Wynberg and Bishops.

U16C v Paul Roos Gym

I was hoping to report on a better performance vs. Paul Roos at the Maties' astro, but from the start a few things went against the U16C team.

Firstly, two of the regular defence players did not arrive, making the defence obviously weaker; secondly the lack of two extra players made it impossible to rotate some of the more tired players in the unusual May heat. Thirdly, we were told that the core of this U16C Paul Roos team were part of the U14A team last season. By the way, Paul Roos have a total of nine U16 teams this season. The result was a somewhat demoralising outing as our team was outplayed in all departments.

Our boys did very well in the first half to contain the score to a couple of goals, but then the heat and fatigue contributed to the opposition scoring a total of 6 goals.

We are looking forward to the next home games against Wynberg and Bishops. Hope to see many supporting parents and friends at the home games.

We are sure that the boys will perform much better against these arch rivals.

U16D v Paul Roos Gym

We played a tough game against Paul Roos Gymnasium U16D team. Even though each of us gave our best we lost 2-0. One of our problems was that we lost our structure, because of lack of general fitness.

U14A v Paul Roos Gym

Saturday 22 May, We played against Paul Roos in Stellenbosch.

We were off to a good start and dominating in the first half.

Unfortunately we missed a number of opportunities to score but it was made up for when Ross took a "back-stick" shot and Tayo ensured it went into the goal box. Soon after RBHS was awarded a short corner, with Chad slotting it into the goals for a 2-0 lead and that is how it was, going into half time.

In the second half Paul Roos came back fighting a lot harder but only managed to score 1 goal, thanks to our defence who were solid at the back. Well Done boys!
