

RBHS RECYCLING

Go Green

Make a difference

Many thanks for supporting the schools self sort recycling centre
We are making a difference and have had an increase in the amount of recycling that is coming in.

One of the easiest ways to reduce our carbon footprint is by going green and recycling.
Please continue to contribute and encourage others to bring these clean items from home.

The RBHS Recycling Facility accepts the following recyclables:

- **Tins and cans:**

Please deposit into tin and can collecting drums

- **Glass bottles and jars:**

Please remove lids or corks from bottles and deposit bottles only into blue igloos.
Please collect glass jars with the lids and place into glass jar deposit box

- **Plastics:**

PET 1 and 2 plastic drink bottles
PET 5 plastic jugert, cream and ice cream, feta and cottsage cheese containers
Check for the recycling triangle with 1, 2 or 5 within it
This is the only plastic accepted at the schools recycling

- **Polystyrene:**

All polystyrene and plastform
PS 6 plastic = disposable plates,cups, take-out containers please wash and place in the sack

Paper

White paper into mondi collecting bags in the garage
Magazines into mondi collecting bags in the garage
Newspaper and mixed paper – into orange igloos down the side of the garage.

- **Cardboard:**

Corrugated cardboard – flatten and deposit into large sacks inside the garage.
Common mix = cereal boxes, toilet roll inners, tissue boxes, egg boxes etc please flatten
and deposit into designated sacks in the garage.

Please self-sort your recycling

Your support is very appreciated

Thank you
