U16C v Bishops

U16C match vs Bishops Friday 20th August

Another needle match.

A match which Bosch needed to win as they lost to SACS and drew with Wynberg.

As it often has happened this season, Bosch gave away an early goal due to a slow start.

Afterwards the boys picked up the pace and a goal in each half sealed a good result for the team.

There was an unusual number of supporters, apart from the usual 4-5 parents who have followed the matches for the whole season and I think this also contributed to the boys lifting the game to a better standard.

I must admit that it is not always easy for the boys to settle to a good rhythm as there are always 4 reserves and the team changes all the time during the match. It is a good thing that there are so many boys still keen to play, but it is difficult for both the coach and the players to adjust to the continuous shuffling.

A good result to finish off the season on a high, especially vs arch rival neighbours.
