Some of the Bosch Hockey Matrics with Coach Steve Lovesay.

In addition, each Captain made a speech covering the highlights of their 2010 Hockey Season and from the quality and humour in the speeches, it was plainly evident that the Bosch Hockey "Gees" is alive and well, and raring to go in 2011.

Rondebosch has a relationship with Langa Hockey Club and the Club was represented by a group of their players, under the patronage of Mrs Colleen Hodge, and they thanked Rondebosch as well as the Bosch Hockey Players who had taken the time to coach them at clinics held on the Rondebosch Fields in 2010.

Rondebosch Astro Steering Committee

The Astro Steering Committee will meet with the Rondebosch Board of Governors on the evening of Wednesday 15 September 2010 to discuss the progress and way forward with the project to build a Rondebosch Astro so as to enable more of the ever-growing numbers of Hockey Players to enjoy the benefits of playing on Astro Turf.

A meeting of Hockey Parents will be held early in the 4th Term in order to give feedback on the progress to date.

Please keep on the lookout for the announcement of the Date and Venue and be sure not to miss it.
