Editorial

Greetings from the Editor.

It is finally that time of the year again and we start in earnest this weekend. I was fortunate enough to have attended the Gary Kirsten Scholarship Fund evening. RBHS can be extremely proud of this old boy and

What he has accomplished and the way he accomplished it. What a role model we have.

I was then invited to the "Legends of Cricket" dinner and I had a fantastic time and that was due to the company I kept. Once again another old boy in Dennis Nick showed me, together with his band of merry men,

That RBHS produces some fine men for this wonderful country.

Something I learnt from spending time with these great people is that most times we are so busy trying to get to the finish line that we end up missing the journey. I urge you to enjoy the moment because all too quickly you find yourself at the finish.

I wish our cricketers well over the next month and a bit, let's give it horns.

See you all at the field.

Altius et Latius.

Note from the coach

Hi guys

It has been an unusually dry winter in Cape Town. That has obviously meant much more cricket training, taking place during these months and an exciting air enveloping all those associated with cricket at Rondebosch.

I am very excited about this term's cricket and know it will be even more successful than the first term. Our 1st XI and junior "A" sides have had a busy third term. The 1st XI went away to the St David's T20 Festival in Joburg in early September. Although the results were not favourable (4 losses out of 5), we learnt some valuable lessons out of the trip and were able to give different boys opportunities in the side.

Seeing as none of our matrices were able to go with us, the win over Maritzburg College was definitely one to savour. All three sides then went on pre-season cricket festivals during the September holidays.

The U14s went to Hilton College and met with lots of rain. The two matches we managed to fit in were both won comfortably and this augurs well for the season ahead. Notable performances by Ryan Klein, Dayaan Galiem and Edward Bester highlighted our strength in the bowling department. Murray Commins was an assured captain and led well from the front. It must be said that the hospitality at Hilton is fantastic and the boys definitely made sure they enjoyed every minute of it. The U15s went to Grey High school in Port Elizabeth for the annual U15 Festival and came back with mixed results (winning two and losing two matches). The weather gods also were not smiling on PE. The boys again bowled very well with Stef Fillipi taking a five-for on the first day and Junaid Dawood, Josh Kaplan and Mogammad Gamiet turning in some good performances with the ball.

The 1st XI attended the Cape Schools week which was held in King William's Town at Dale College. They won one, drew one, and lost one match (against Grey PE), but played progressively better cricket as the week went on. Two days were also lost to rain unfortunately. We have had some amazing weather in Cape Town though, and we hope this carries on well into the cricket season. Training starts in earnest this week for all the sides and I am sure everyone

is chomping at the bit to get out there and represent the Bosch badge again. Please come and support the 1st XI on Friday at Bergvliet. We are playing SACS in a T20 fixture starting at 18:00. I look forward to seeing everyone on the side of the cricket field this season.

Yours in Cricket

Cape Schools' Cricket Week 2011

It goes to show how we as a team have raised our expectations that we couldn't help but come away a little disappointed with the results on tour. Yes we were rained out against Union in a game we would have won but still we know we could have done better. What can we say about Grey? Very disappointed that the match was played on a pitch which was not suitable to host two good cricket sides, but nevertheless to be bowled out for 57 was unacceptable - let's leave it at that. The Queen's game showed all that is good and bad about Bosch cricket. The batting was not good enough in the sense that too many batters got a start and didn't push on to really make a difference in the game. The nature of the dismissals and the apparent lack of hunger were not of the standard to be expected. The bowling effort was a complete turnaround and I thought the guys really hung in there when the going got tough. I just wish we didn't need to get ourselves in the really difficult situations before showing that kind of tenacity. The Selborne game was a huge improvement on the batting side! The top order looked really focused on executing their game plans efficiently and this showed on the scoreboard as we amassed a big score on a huge field with a slow pitch to contend with. The bowling was not as good as the previous day, however the difference in ability between the two sides was apparent as Selborne never were in a position to threaten our total. Good progression was shown during the tour which bodes well for the forthcoming term! I for one am really looking forward to seeing some good cricket being played by our men!
