Hockey Rules Quiz.

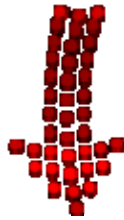

Learning the rules of the game: Quiz No 2

The match starts in poor weather, but the astro is still fit for play. After 12 minutes a huge downpour makes the field unplayable and the umpires stop the game. They decide to wait for 10 minutes to see if the rain will stop and that the field will drain sufficiently for the game to continue.

Who decides whether the game should continue? Is it the captains, the umpires or the team? If only 12 minutes are played is that sufficient time to call it a match? What decision should be taken about the game – abandon and agree to replay at another date; accept the score and post the match result?

Answer next week.

Thanks to Mr Kevin Winter for the quiz questions.

Rondebosch 1st Team vs. Paul Roos 1st Team - 15/05/2009

Friday Night hosted spectacle to one of the greatest games of hockey that I have ever played in. The Rondebosch 1st team was up against the highly rated Paul Roos side. We were the underdogs coming into the game as we had lost to them earlier in the season's warm-up games. From the start it was clear that the game was going to be fast-paced and at an exceptionally high standard of hockey. Rondebosch had an opportunity in the first 5 minutes of the game and were dominating play. Paul Roos then stepped it up and the game was very even. Rondebosch drew first blood after the break via a well worked short corner with Cole Milton finishing the goal. Paul Roos then equalized. Rondebosch converted yet another short corner through a shot by Robin Blampied to bring the score to 2-1 with 10 minutes to go. Rondebosch defended hard until Paul Roos scored a well worked goal with the 5 minutes left on the clock. Rondebosch attacked hard until we were rewarded with a short corner with 2 minutes to go. Rondebosch scored the short corner thorough a magnificent deflection by Jonathan Cox after which he proceeded to envelope Nic Pullen in a hug of joy. Rondebosch won the game 3-2 and triumphed in an epic battle that none will forget that witnessed it.

Rondebosch 2nd Team vs. Paul Roos 2nd Team - 15/05/2009

After a good week of training, we were ready to take on a tough Paul Roos side. Unfortunately things didn't go our way early on, when we conceded a goal. We didn't drop our heads but

unfortunately we couldn't reply and the game remained 0-1 (our first loss of the season). We may have lost, but we definitely showed Paul Roos that we are a team to be reckoned with, as we started dominating in the second half.
A valiant effort.

Rondebosch U14A Team vs. Paul Roos U14A Team - 15/05/2009

The U14A played Paul Roos on Friday the 15th of May and with an excellent first half we were in control of the game. We played as a team and our defence was very strong however we needed to take our opportunities when we got into the D. We had 2 short corners of which both of them we couldn't get it in the box but thanks to skilful play by Zubayr Hamza and Nicholas Cotchobos we were able to score one goal. The score remained 1-0 for us to have won the match. After we had won the boys were ecstatic and so was I.
All in all it was a great game and Paul Roos played well.

Rondebosch U14B Team vs. Paul Roos U14B Team - 15/05/2009

The under 14B's took on Paul Roos on Friday afternoon. The visitors started well and pressured our circle from the whistle and it was somewhat against the run of play when Jarryd Hilton buried the ball into the back of the net from the top of the D for Bosch to take a 1-0 lead.

Paul Roos managed to retain their composure despite this setback and played hard-running structured hockey to score three goals before the final whistle and despite Bosch having a few scoring opportunities we were unable to beat the Paul Roos keeper again and they ran out deserving 3-1 winners. A time for reflection and plenty of hard work before the next fixture!

Rondebosch U14C Team vs. SACS U14C Team - 09/05/2009

Over this past weekend we played a hockey match against SACS Boys High School where we came out 5-0 victors with Daniel Hellenberg scoring 3 goals and Jarred Hilton and Kyle van der Pole scoring 1 goal each.

I was very proud of my team because we played really well and overcame a determined SACS side.
