### Last Week's Quiz No 3 Question & Answer

An attacking player is fouled badly just outside the opposition circle (a heavy stick hack). The umpire signals an advantage, but allows play to continue. The attacker recovers and brings the ball into the circle, but it hits a defender's foot, the attacker loses control of the ball, and the umpire stops play to award a penalty. What happens next? What action should the umpire take?

#### **Answer:**

What does the umpire have to think about? Two possible options

(a) If the opposition have committed similar offences (heavy stick hacks), and have been warned already, the umpire could stop the game at that point, give the player a yellow card and then a short corner. If the stick hack was so deliberate, the umpire may even give a penalty flick and also send the player off with a yellow card.

(b) Give the advantage to the attacking player after the stick hack, then award a short corner after it hit the defender's foot.

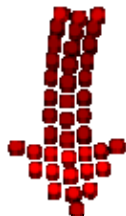

The player who committed the stick hack must be warned or even yellow carded.

### Learning the rules of the game: Quiz No 4

A defender standing between the 25m and the half way line kicks the ball by accident. No opposition players are near him. Should the umpire allow the game to continue or award a penalty to the attacking side?

Answer in Next Week's Hockey Herald.

Thanks to Mr Kevin Winter for the quiz questions.

### Rondebosch 1<sup>st</sup> Team vs. Paarl HJS 1<sup>st</sup> Team - 30/05/2009

On Saturday morning the 1<sup>st</sup> hockey team played against Paarl Boys High School. It was another game that we had lost last year and we were eager to set the record straight. From the start of the game it was clear that the game was going to be scrappy. Neither Paarl Boys nor us seemed to find each other and it was a poor display of hockey. Paarl Boys scored the first goal but to our credit we remained relatively composed and didn't get too flustered. We were 1-0 down at half-time. The first ten minutes after the break were excellent and we managed to level the scores through Lloyd Tanner. We then entered the final five minutes with scores level at 1 all. In the last minute we managed to obtain a penalty corner which we converted through a straight drag by Cole Milton. We ended up winning 2-1. It was however definitely not the standard of hockey that we are used to and will have to pick it up for Wynberg next week.

Peter Schwellnus (Captain)

## Rondebosch 2<sup>nd</sup> Team vs. Elkanah 1<sup>st</sup> Team - 28/05/2009

On Thursday we went out to the UCT astro to play against an unpredictable team in rainy weather. It turned out to be a very scrappy affair. It took a while before Rondebosch got into their stride, but with so many short corners, it would be hard for Elkanah to keep us out. We eventually mustered 8 unanswered goals which gave us the deserved win.

Aidan Morris (Captain)

## Rondebosch 2<sup>nd</sup> Team vs. Paarl HJS 2<sup>nd</sup> Team - 29/05/2009

On a cold Friday afternoon, Rondebosch had a good victory over a decent Paarl Boys team, winning the match 2-0. Although it wasn't the most fluent, well structured hockey we usually play, we did well to score 2 goals against a fit and pacey team. Man of the match definitely goes to Nathan Petro (centre half) who had an absolute 'blinder' at the back.

## Rondebosch U16A Team vs. Paarl HJS U16A Team - 30/05/2009

Rondebosch started well against Paarl Boys but the match did not live up to the expectation of the opening ten minutes.

Rondebosch spread the ball well and dominated the first half with an abundance of possession.

The Paarl goalkeeper pulled off some excellent saves and frustrated the Rondebosch attack.

The second half saw the Rondebosch Boys get more frustrated with not being able to find the net and a loss of structure and too much individual play resulted in Paarl gaining confidence.

A lack of tight marking resulted in Paarl creating a few break-away opportunities.

Oliver Thompson showed great commitment and pulled off some spectacular tackles.

In parts Rondebosch played well with Dean Rutherford, creating well from the back and the ever reliable Mathew Kabot, creating space on the right but the team's spark and hunger to win, for some reason, did not seem to be evident.

The final score 0-0, with Paarl rejoicing and Rondebosch feeling they did not do themselves justice.

A hard week of training lies ahead and I am sure the boys have the character and determination

to do better against Wynberg, this week.

Mr. Lloyd Nel (Coach)

### Rondebosch U16B Team vs. Paarl HJS U16B Team - 29/05/2009

In our first match under lights the team took on Paarl Boys. They were a hard hitting team and together with the fact that the astro was wet and slippery, this resulted in a fast paced game. Their defence proved difficult to penetrate at first but with some determined running from our forwards we opened the scoring with a goal by Gareth Spencer. We began to control the midfield and managed a second just before half time. Rondebosch started the second half in a complacent mood and gave away an early short corner. This wake up call inspired a counter attack that resulted in another goal. Our opposition were struggling to keep up with the pace of our midfielders and started to become demoralized.

We took advantage of this and scored two more goals to end off an impressive 5 nil victory.

Michael Jacka

### Rondebosch U16C Team vs. Chesterhouse U16B Team

The hockey match against Chesterhouse took place on Wednesday the 27<sup>th</sup> May at 15h15.

We played in rainy conditions on our home grass field.

We all played reasonably well, but as a team we could have done better. We owned most of the game and spent most of the time in the opposition's half.

We managed to score three goals against them - with Craig Thomas, Michael Harris and Bjorn Syfrets doing the honours. The opposition was not able to respond and we won 3-0.

Esmond Schnehage (U16C Captain)

### Rondebosch U16C Team vs. Paarl HJS U16C Team - 30/05/2009

The hockey match against Paarl took place on Saturday the 29<sup>th</sup> May at 09h30. We played in rainy conditions on our home grass field.

We won the match by 3-2, with Bjorn Syfrets scoring two goals and Michael Harris scoring one goal.

We played a scrappy game.

## Rondebosch U14C Team vs. Steenberg - 27/05/2009

We took to the field at 15:30. We had a good start, as we were able to keep the ball away from our box and kept the pressure on the opposition defence.

We made a few careless mistakes by giving them a chance to have a few break always, but they could not score as we kept our defence tight and quickly cleared the ball.

At the beginning of the second half we made a big mistake and allowed them to have a counter attack at goal, in which they took their opportunity and scored. We made some other very big mistakes in this half as we gave them another opportunity in which they had struck the ball well and scored, making the final score 2-0. We are improving as a team, but we have a lot of work to cover on as we could've won this game if we had given them fewer opportunities.
