Rondebosch U16A Team vs. Wynberg U16A Team - 14/08/2009

The U/16s knew they would be up against it against a strong and older Wynberg side and had made good preparation during the week.

The first half saw Rondebosch generally showing good defensive skills but unfortunately, gave away hard-earned possession. Wynberg scored their first goal with a typical counter, and an unmarked Wynberg player only had the goalkeeper to beat, to score the goal. The second half was typical of the first half.

Rondebosch created some chances but unfortunately some good efforts by Carl Davis missed narrowly. Rondebosch struggled to clear from Wynberg's forward press and not enough possession was gained to create some more goal scoring opportunities. In the last ten seconds Wynberg scored after the game had already been won, to flatter the score-line to 2-0.

I don't think the boys are too far off from being a great side-the killer edge, concentration and decision making just needs to sharpen up a bit. I am looking forward to a good performance this week, against Bishops.

Apologies for the late report.
