“WHAT IS GOING ON WITH MY SON?”

Dear Parents

Austin Smith (Clinical Psychologist)* is facilitating an information session related to the kinds of challenges our boys are facing today.

Please come and join us for a cup of tea/coffee while Austin explores:

“How different a boy starting grade eight is, to the young adult male about to finish Matric. This process of change is immense and seldom easy”.

His talk is aimed at thinking about these changes, the challenges they present, and how being aware, can go a long way in answering the question, “**what is going on with my son?**”

We look forward to welcoming you to this talk and trust it will be of benefit to our Rondebosch family. Everyone welcome.

Date: Tuesday 1 September 2009

Time: 18:30 - 19:30 (strictly one hour)

Venue: E1942 Centenary Pavilion, Rondebosch Boys’ High School, Canigou Avenue.

RSVP: Email: austin.smith@rondebosch.com by Monday 31 August.

**Austin Smith works in a part-time capacity at RBHS and is based at a private practice in Newlands and has particular experience in working with teenagers.*
