1. Adoption Discussion & Support Group

An adoption support group(between 8 and 10 members) is being run by a Clinical Psychologist for people who have adopted children and need some support in dealing with the issues that arise because of it, or for those who are considering adoption and need to think through the issues in a supportive environment.

Group members will be asked to commit for an initial period of 6 sessions after which they can choose to continue or end. The next adoption support group will start in the 4th school term. The first meeting will be on the 10 October between 08:30 and 10:00. The cost of the sessions is R125 per person.
