**”HOW DO I COMMUNICATE WITH MY SON?”**

Dear Parents

Austin Smith (Clinical Psychologist)\* is facilitating another information session related to the kinds of challenges our boys are facing today. Please come and join us on either of these two days while Austin explores:

***“The teenage code of effective communication”.***

His talk is aimed at thinking about what helps and what gets in the way when talking to teenagers and building relationships when they seem to be less and less interested in having conversations at all.

We look forward to welcoming you to this, the second in a series of sessions, which we trust will be of benefit to our Rondebosch family. Everyone welcome.
