Dear RBHS Neighbour

Every year the Grade Elevens of Rondebosch Boys' High School present a Cabaret, held in the school's Red Brick Quad. The event serves as a fundraiser for the following year's Matric Dance as well as a selected charity, but largely it cements and unifies the grade before their final year of high school.

It is an open-air performance, and you may experience more noise than usual. Rehearsals in the Quad begin on Tuesday 13th October and the show runs from Tuesday 20th October to Saturday 24th October. All rehearsals and performances will be over by 23h00 each evening.

We apologise for any inconvenience you may experience during this production.

Please feel free to contact me if you have any queries relating to this matter.

Kind regards,

Paola Ghignone
