Hockey Notice Board.

Dear Parents and Hockey Players

Funds raised in 2009

The total amount the Hockey Supporters Fund raised in 2009 was R 31 278.63.

Thank you to all who supported our functions.

R 6000 was donated to Langa Hockey Club which will be used to pay for transporting teams to matches in 2010, as well as some coaching fees.

Development Program

We hope to continue our association with Langa for many years to come.

We have also been approached to include Mandalay in our development program next year, which means that we will be running two days of training and will need many more volunteers than we had this year.

Please remember that it does count as community service for Life Skills.

Astro Update

Hopefully you will have all read the school newsletter by now and received the news of the proposed Astroturf.

The Astro Sub Committee presented a proposal to the BOG on 23 November 2009 which was approved with certain criteria to be met.

We will begin the process of application of consent use to the City of Cape Town in January 2010.

The venue will be Lower Desert, adjacent to the tennis courts.

This does not mean that we will definitely build an astro.

If the application for funding made to the National Lotteries Board is unsuccessful, we will have to raise the funds ourselves in order for the building of the astro to go ahead.

This will involve approaching corporate sponsors as the amount we need to raise is significant.

Plans for 2010

We are hoping to have a "parent social" in the 1st term of 2010 to welcome new hockey parents to the school as well as inform you of what is happening with the Astro and our fundraising plans for the year.

Please diarise 20 April 2010.

Alan Committie, renowned comedian, will be performing a hilarious one night show in the Memorial Hall for us.

Thanks

Thanks once again to the parents for the tremendous support that has been given to the hockey players and the Hockey Parent Committee this year.

To all our Matric gentlemen - THANK YOU for the many years of dedication and passionate support for hockey and for so proudly upholding the name of your magnificent school.

We wish you all the best for the new chapter in your lives.

To all the other boys returning next year enjoy the holidays and have fun.

Farewell to a Committee member

Lesley MacDonald has been an active Member of this Committee over the years and we bid farewell to her as she is "Matriculating" along with James at the end of 2009. She will be missed on the Committee but will be keeping tabs on us via the Hockey Herald.

Kind Regards
