The 1<sup>st</sup> hockey side started off their season in Joburg at Parktown Boys High School, known as the Founders Festival... the season started off with a bang, we won our first game. The boys played with a good attitude and the team was excited to see what more brilliant hockey was still to come.

The days to follow went well, drawing a tight game to a highly skilful Parktown side and getting some decent wins under the belt. The last game at Parktown we unfortunately lost, due to not being able to take our opportunities when needed.

But we put that loss behind us and off to KES we went on our second leg of our 11 game tour. The first day at KES was a successful one, beating Parktown, who we drew to previously, the first time. Our third day at KES was arguably the worst when it came to hockey. We lost both our games and we lost to St Benedicts, a side that we beat a couple of days before that. This made it difficult to bounce back, but the old foes KES lightened the occasion. Lots of heart, pride, passion, skill and a bit of love to the man that makes it happen, 'Stevie wonder' - the boys put on a gutful performance beating KES at home. This hasn't been achieved in many years, so the boys were stoked.

We ended the tour with sore legs, a broken nose, a broken finger and a couple of bashes and bruises, but overall it was a great tour.

Thanks must go to the many parents that flew up and supported the boys, I'm sure all the guys would agree when I say without parents' support we wouldn't have played such great hockey as we did and the fact that they were there also made it possible to acquire extra cash for nutritional requirements, which made a big difference to the boys performances. Thanks Ma, love you!!!

Also to our coach, Mr. Steve Lovesay and our manager Mr. Sean Harris, thanks very much for a great tour and I'm sure the boys are looking forward to the season ahead... as I said, these two men are the people that made it happen on and off the field (we love you guys!!!!!!).
