

RBHS RECYCLING

Go Green

Reduce, Re-use and Recycle

We can make a difference

One of the easiest ways to reduce your carbon footprint and go green is by recycling. Drop your recycling at the school recycle area when you drop or collect your sons. Recycling is a hands-on, real-world learning experience and by getting your children into the habit of recycling you are teaching them environmental responsibility. Recycling with RBHS raises funds for the school and this helps towards improving the school facilities, again benefiting our sons.

The RBHS Recycling Facility accepts the following recyclables:

Tins and cans please wash and deposit in tin/can sacks in shed.
Glass bottles and jars please rinse, remove lids and deposit into navy blue glass igloos.
Plastics - PET 1 and 2 plastic bottles only – separate bottles and lids, separate collecting sacks
PET 5 some yoghurt, dip, feta and ice cream containers,
check for the recycling triangle with number 1, 2 or 5 in it as this is the only recycling acceptable.
Paper – white paper – into designated sacks in the garage.
magazines – into designated sacks in the garage
all other paper – into orange igloos down the side of the garage.
Cardboard corrugated cardboard – flatten and deposit into large sacks in the back of the garage.
Common mix eg.cereal boxes, toilet roll inners, tissue boxes, egg boxes, etc please flatten and deposit into designated sacks in the garage.
WE DO NOT accept: tetrapak cartons eg. milk, juice or oil cartons, plastic bags or wrapping of any sort and polystyrene.
Please self-sort your recycling wherever possible (it's a lot easier to pre-sort at home)!
Thank you

RBHS recycling team
