#### Match report

Rondebosch's 1<sup>st</sup> team hockey side played against DF Malan at 17:15 on Friday night at WPCC. It was a very entertaining game as Rondebosch scored all four goals.

It all started with a well won short corner by the Rondebosch forwards. The short corner was hit towards Tim Winter on post and he finished it perfectly. Only a few minutes later Tim was back on the score sheet with a magnificent backstick shot making it 2-0. After halftime Bosch won another short corner and Steve gave Daniel Blake the chance to rocket it into the corner off the backboard, and he did just that making the score 3-0. Now another beautifully won short corner won and another chance for a goal. The goal came from none other the Micky Reid with an amazing reverse stick deflection into the net.

Another brilliant game from Rondebosch 1<sup>st</sup> hockey side walking away with a comfortable 4-0 win.

### U16A v D F Malan H S

On Friday the 7<sup>th</sup> of May the U16A team played a match against DF Malan. The conditions were good for hockey as the astro was damp and this made it

really smooth and increased the ball pace.

We started out playing good hockey and had all the possession. After a series of good plays and sustained pressure Kieryn Thompson put us on the scoreboard with a brilliant backstick shot.

Zubayr Hamza also then made his presence felt and put us 2-0 up at half time.

In the beginning of the second half we started to think the game would be a walkover and thus we started straying from our passing game and this gave them some opportunities to get some break away goal attempts but these were quickly dealt with.

We then woke up and started playing our usual game again and this led to Justin Prins and Ross Compton getting their names on the score sheets.

Our aim for the game was to win 5-0 and at 4-0 we did not achieve this but there are many positives we can take from the game.

#### U16C v D F Malan H S - B Team

A few teams have been disrupted by the moving up and down of many players. The U16C have lost strikers and could only manage a 0-0 draw against DF Malan. According to the after-match talk by the coach (and I hope I am quoting correctly) the backline was much improved, the short corners were better organized, but the links did not open the game enough by not passing to the wings and the forwards could not capitalize on the few good opportunities they were given.

Hopefully by next time these hic-cups will be ironed out.

Score : 4..0 Win to RBHS

We started off winning the toss and electing to play with the sun behind us. This meant that they had the ball first, but from the start we dominated and that's how it was for the rest of the game, except for a few silly passes we made.

Within the first 10 minutes James Donald had a brilliant run down the base line, and then passed to Tayo Walbrugh who put it in the back of the goal box. A while after Tayo slotted another easy goal in giving us a 2...0 lead and that is how it was as we went into the break.

After half time we were given a short corner which Chad Muller converted with a back-stick goal, but was then disallowed because it was over the back board. Soon after Tayo fancied his chances at a back-stick goal with this time it sailing through the keeper's legs and into the box.

In the last minute once again James crossed a ball into the box which Azhar Dawood converted. Our whole team played well with Cullen Wright having an excellent game. Well Done boys
