Cricket Kit Wanted for disadvantaged schools

Please would all Cricket players examine their kit this term and decide what is too small, needs replacement or is no longer wanted.

Rondebosch would like to collect surplus Cricket Kit to distribute to deserving disadvantaged players.

Please place your unwanted kit in a plastic packet / holder clearly marked "Cricket Kit Drive" and leave it with security in the Security Hut at the entrance to Rondebosch grounds where it will be collected by the Cricket Kit Convenor for distribution.

Rondebosch England Cricket Tour Photos wanted.

Mr Ahmed Sader has requested any of the 1st Team or Cubs XI players who have brought back digital photos from the England Tour, to please put them on a CD and hand it to Riyaz Sader.

Ahmed would like any photos, Action, Group, Schools visited and candid photos from the "free time" in London.

He will arrange for the collection to be placed on a CD / DVD for each player FREE OF CHARGE, but he needs your co-operation so he has pics to select the final ones from.

Here is a wonderfully generous offer so that all players have a memento of a stunning England Tour. Please assist.

Cricket Corner replacement Editor wanted

As the current Editor will be "matriculating" along with Michael at the end of 2010, a replacement Editor will be needed if the Rondebosch Cricket Corner is to continue in 2011.

All the Data, Templates as well as Archived Cricket Corners are available to hand over to the next incumbent. Please contact Mr Rob Dalrymple to indicate your willingness to take over the reigns, and I will make arrangements in consultation with Rondebosch thereafter, to help you with the take over.

Should no-one be willing to take it on, I regret that the last Cricket Corner will be published at the end of the 4th Term 2010.
